

## Writing Effective Funding Proposals

Activity: Give small groups cards with the six steps on them and have them arrange them in order of how you would proceed if they were going to write a funding proposal.

### Six Steps to writing an effective funding proposal

1. Finding the right fit with the funder
2. Designing your project
3. Making a Budget
4. Designing Monitoring Plan
5. Writing the Grant
6. Coming up with a catchy name for the project
